

'Fun to teach, fun to learn.'

Lumley Infant and Nursery School

2018 - 2019

What is the PE and Sports Premium?

The PE and sport premium is a government funding stream designed to help primary schools improve the quality of PE and sport activities they offer. Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6, or in cases where schools don't follow year groups (for example, in some special schools), the number of pupils aged 5 to 10. In 2018-2019, schools with 16 or fewer eligible pupils will receive £1,000 per pupil, while schools with 17 or more eligible pupils will receive £16,000 and an additional payment of £10 per pupil. Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. Lumley Infant and Nursery School received £17,290.

There are 5 key indicators that schools should expect to see improvements across;

- The engagement of pupils in regular physical activity – The Chief Medical Officer guidelines recommend that all children and young people between 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 mins should be in school.
- The profile of PE and sport is raised across the school as a tool for whole school improvement.
- Increased confidence, knowledge and skills of all staff in teaching PE and sport.
- Broader experience of a range of sports and activities offered to all pupils.
- Increased participation in competitive sport

We aim to use the funding to have a lasting impact on the health and fitness of our children, by promoting healthy lifestyles, improving the teaching of PE, providing opportunities to participate in a range of sporting activities within curriculum time and through after school clubs and extra-curricular activities.
