

Dear families of Lumley Infant and Nursery School,

We are continuing to develop our International Links with Uganda and would like to extend our links by exploring how far our school community stretches around the world.

I would be extremely grateful if you could answer a few questions to help identify if you have family or friends living in other countries.

Name of child/children .....

I have family/ friends living in... (Please state who and where)

---

Do you have any photographs, stories, clothing or artefacts that can be shared with the children in school to expand their learning about a new country?

If so I would be extremely grateful if your child could bring the items to school. Please label all items with your child's name and I will ensure they are safely returned.

Many thanks

Mrs Brown

Reception Teacher/ International School Co-ordinator
